**SUBJECT : Continuation of Financial Support to Projects [REDACTED] 25X1A**

Amounts appropriated to these two projects are expended in two principal ways; to meet major equipment requirements and to provide a financial bonus for [REDACTED] personnel. This latter expenditure permits [REDACTED] to obtain personnel of the quality necessary for effective ELINT collection and analysis. 25X1A

Consequently, it is important that we maintain the best liaison possible with [REDACTED]. Withdrawal of financial support would not be in the best interests of this objective.
